

## President's UFO Challenge (2018/2019)

Let's have some fun and get four projects done!

### How it Works:

The goal is to have fun and to try and finish 4 UFO's this year.

Every 2 months we will draw a number from 1 to 8. The number drawn will be the next UFO project to be worked on.

Each UFO will have two months to be completed to be eligible to be included in the June prize draw.

In June we will have a draw for quilting/sewing related prizes.

**Eligible Projects:** A project that has been started, but not finished and requires more than 1 hour of your time.

**Ineligible Projects:** New projects that have not been started, or projects that need less than 1 hour of your time.

### Draw Schedule:

Draw #1 - September Meeting	Project Due at the November Meeting
Draw #2 - November Meeting	Project due at the January Meeting
Draw #3 - January Meeting	Project due at the March Meeting
Draw #4 - March Meeting	Project due at the May Meeting
Prize Draw:	Will be held at June Meeting after Sew and Share. Complete all the projects to have 4 chances to win!

\*UFO's completed by the meeting they are due will be eligible for the June prize draw.

### What do I do?

- 1 Identify 8 UFO projects you would like to finish this year. Of the 8 listed, the goal is to get 4 completed this year.
- 2 List your UFO's on the Challenge Form and give to Jean Decaire (you may also want to make a copy of the Challenge form for yourself)
- 3 Finish your UFO's as they are drawn!
- 4 As you finish each project, cut out a draw ticket, fill it in and bring to the general meeting with your completed UFO.
- 5 Present your completed UFO at Sew and Share.
- 6 After Sew and Share give the draw ticket for that project to Jean Decaire to be entered into the June prize draw.

### What if I don't have 8 projects to list?

If you have fewer than 8 projects listed (lucky quilter!) then complete the last project on your list. When filling in the draw ticket, note that it substitutes the drawn number.

### Where Can I get the Challenge forms?

The forms will be available at the June 2018 and September 2018 meetings or on the HQG website.
